PROFESSIONAL SUMMARY

Senior Lead Developer, UI/UX Designer, and manual testing analyst with 8+ years of experience delivering responsive web applications and user-centered experiences. Combines frontend development skills with UI/UX design, reusable component development, technical leadership, and manual software testing. Experienced in code reviews, cross-functional collaboration, and improving web usability, quality, and performance throughout the development lifecycle.

EDUCATION

Pamantasan ng Lungsod ng Pasig

Pasig City, Metro Manila
June 2014 – April 2018

Bachelor of Science in Computer Science
Cumulative GPA: 1.67

WORK EXPERIENCE

Transcosmos Asia Philippines Inc. — Pasig City

Senior Lead Developer/Designer | April 2019 – May 2026

- Led and mentored a team of 3 members, achieving an 85% overall team productivity rate; team members were subsequently promoted at fiscal year-end.
- Contributed to and delivered 100+ projects for local and international clients across frontend development, UI/UX design, and responsive web implementation.
- Developed responsive enterprise interfaces and reusable components to ensure consistency and maintainability.
- Improved website PageSpeed scores from 55 to 90 through asset optimization, performance improvements, and reduced page load times.
- Conducted code reviews and supported functional and regression testing in collaboration with cross-functional teams.

Cusyma Technologies Co. — Quezon City

Software Engineer | April 2018 – March 2019

- Developed responsive web interfaces based on business requirements and UI/UX design specifications.
- Collaborated with designers, developers, and QA personnel; supported API integration, cross-browser compatibility, technical documentation, and troubleshooting.

I-Asiatic Innovations — Pasig City

Front-End Developer | November 2017 – February 2018

- Translated UI/UX mockups into responsive web interfaces while maintaining visual consistency.
- Supported cross-browser compatibility, responsive layouts, and frontend performance.
